- b. The functions of the Union Steward include the authority:
 - i. to settle or assist in settling problems arising in connection with the application or interpretation of the agreement,
 - ii. to resolve grievances at Step 1 or 2 of the grievance procedure, and
 - iii. to serve as a Union representative for an Employee in an investigatory meeting which could result in discipline or discharge, provided that the Employee has affirmatively requested steward representation (i.e., Weingarten meetings).
- c. Union Stewards shall perform their functions or Union-related activities on their own time except as provided for in Subsection 2.1(e) (Paid Release Time for Union Stewards) below. However, if a meeting is mutually agreed to with the Union Steward during the Steward's work shift, that time will be paid for by the Hospital. If a Union Steward wishes to schedule a meeting with Employees

during the union steward's work shift, unpaid leave time shall not be unreasonably denied.

- d. Whenever a bargaining unit Employee requests a Steward's presence at a Step 1 grievance meeting with a supervisor, every effort will be made to schedule such meeting a minimum of 24 hours in advance. The Steward will notify his/her supervisor of such meeting and arrange for his/her own release, when possible, to attend. Should the supervisor determine that releasing the requested Steward is not possible, the Union Steward or Field Representative will either reschedule the grievance meeting or select an alternate Steward. Steward release will not affect the grievance procedure timelines as outlined in Article 9 (Grievance Procedure). Nothing in this provision overrides the grievance procedure as detailed in Article 9.
- e. Paid Release Time for Union Stewards
 - i. The Hospital shall provide a maximum of forty-two (42) hours per month of paid release time for specifically authorized Union Stewards. This paid release time shall not be scheduled in such a way as to create overtime. In the event authorized Union Stewards request and are inadvertently paid more than the agreed upon forty-two (42) hours, such mistake shall not be deemed to increase any future entitlement beyond forty-two (42) hours.
 - ii. The up to forty-two (42) hours provided may be utilized for monthly steward meetings, steward education, and steward training, designed to further the relationship between the Hospital and the Union. At least fourteen (14) days prior to the posting of the staffing schedule, the union shall provide written notice to a Senior Employee and Labor Relations Representative that paid release time is requested and the individuals for whom it is being requested. Paid release time is subject to staffing and scheduling needs. Stewards who are specifically authorized for paid release time will be permitted to leave their normal work to utilize these hours. The parties agree to work together on scheduling issues that may arise, including last minute scheduling changes by either party.

Union Stewards shall not direct any Employee as to how to perform or not perform his/her work, shall not countermand the order of any supervisor, and shall not interfere with the normal operations of the Hospital or any Employee.

- b. The Union Field Representative shall not interfere with the work of any employee, nor shall the Union Field Representative inhibit any employees' use of a break area. This shall not prevent the Union Field Representative from conferring with an Employee and his/her supervisor or a Hospital representative on Hospital time in connection with the complaint or problem concerning the Employee.
- c. During the term of the Agreement, if the Hospital believes that a Union representative is violating the limitations on access as set forth above, the Hospital may request an immediate meeting with representatives of the Union to discuss and attempt to informally resolve the Hospital's concerns. This meeting will be held in person or telephonically within twenty-four (24) hours of the Hospital's request. In the event that the Hospital's concerns are not resolved to the Hospital's satisfaction within forty-eight (48) hours of its request for such a meeting, the Hospital may submit the issue to expedited arbitration. The arbitrator will be selected in the same manner as set forth in Article 9.

2.3. BULLETIN BOARDS

The Hospital shall provide one (1) glass-enclosed locking bulletin board in a mutually agreed location. In addition, in departments where NUHW bargaining unit members work, an 8 ½ x 14 posting space will be provided in currently existing non-public employee break rooms. No materials which are derogatory of the hospital, management, or the University of Southern California shall be posted. Both the Union and the Hospital shall have a key to the bulletin board. The Hospital shall not access the bulletin board until a request has been made to the Union, in writing, and a reasonable time given for discussion.

2.4. USE OF HOSPITAL CONFERENCE ROOMS

The Hospital shall provide the Union reasonable access to on-site conference rooms upon request, based upon availability, in accordance with scheduling procedures below:

- a. The Hospital will provide the Union with a maximum of eight (8) hours per month of conference room access for Keck and a maximum of eight (8) hours per month of conference room access for Norris for Hospital Employee meetings or conferences regarding union business related to the Hospital.
- b. The Union must schedule such conference room usage in accordance with the conference room scheduling practice of the Hospital. The Hospital is not required to displace or bump groups or organizations that have scheduled conference room usage or otherwise have established periodic meeting schedules.
- c. Up to a total of six (6) hours per year of conference room time for Keck and up to a total of six (6) hours per year of conference room time for Norris which is not utilized in the appropriate month may be utilized at a later date. After these hours are utilized, additional unused hours cannot be banked for later usage. Any unused hours will be lost if not used by the end of the calendar year.

For example, if in January the Union utilizes only two (2) hours of its conference room time, it may bank six (6) hours. Subject to the scheduling procedure noted above, the Union may utilize those six (6) hours in subsequent months. If in any subsequent month the Union again does not utilize its full 8 hours of conference room time, it may not utilize these additional unused hours to add to or replenish its 6-hour bank.

2.5. EMPLOYEE ORIENTATION

- a. The Hospital will allow a Union steward or Union representative up to thirty (30) minutes during the general part of the Hospital's orientation program for new Employees to discuss the Union and the terms of the collective bargaining agreement. Such time will normally be scheduled immediately prior to the lunch break, or as the final item on the orientation program agenda.
- b. In connection with Subsection 2.5(a) above, the Union steward shall be released from work without loss of pay to participate provided that patient care permits. Where such orientation program is regularly scheduled such release should normally occur.

The one-hundred and twenty (120) calendar days may be extended in any given case by mutual agreement of the Hospital and the Union, and the Union's agreement to such extension will not be unreasonably denied. This period may not be extended by the use of temporary assignments beyond a twelve (12) month period. Temporary Employment lasting for more than the period above or any extension agreed upon shall be reclassified as a regular hours position and shall be posted as a job vacancy in accordance with Article 5 (Job Vacancies, Posting and Bidding). Additional hours, beyond the originally scheduled hours for the temporary position, shall be offered to Temporary Employees as a last resort, meaning if those hours cannot be filled by other bargaining unit Employees, or cannot be filled without incurring overtime or other premium pay. If the hours can only be filled by incurring overtime, then any overtime hours shall be awarded based on the provision in Article 11 dealing with assigning overtime hours. ARTICLE 4– SENIORITY, REDUCTIONS IN FORCE AND RECALL

4.1. SENIORITY DEFINED

- a. How Calculated. The Employer will recognize seniority from the Employee's most recent uninterrupted date of hire at the Employer. An Employee's seniority will be interrupted if he/she suffers a loss of seniority under Section 4.2 below. An Employee's hire date is not interrupted if he/she is on an approved leave of absence. Where seniority is a determining factor in any determination pursuant to this agreement and where multiple Employees have the identical seniority dates then a randomized and transparent selection process will be utilized.

No Employee shall suffer any reduction in seniority as a result of the execution of this Agreement except as provided for in this Agreement.

- b. Per Diem Employees. Per Diem Employees shall accrue seniority from their most recent date of employment only for use within the Per Diem Employee pool.
- c. Change of Status. An Employee who changes his/her status from Per Diem status to a regular Full/Part-Time status or a regular Full/Part-Time status to Per Diem status after the effective date of this Agreement retains his/her applicable seniority date.
- d. Return to Unit. Any bargaining unit Employee who accepts a non-bargaining unit position with the Employer and who later, without a lapse in service to the Employer, accepts a transfer into a bargaining unit position returns to the bargaining unit without a break in seniority.
- e. Seniority List. The Hospital shall continue to provide bargaining unit lists to the Union as provided for in Article 2, however, upon request by the Union or any Employee, the Hospital will provide either a complete seniority list or a seniority list for a specific department or area.

4.2. LOSS OF SENIORITY

Seniority shall be lost by:

- a. Termination for cause;
- b. Failure to return from a leave of absence;
- c. Voluntary resignation;
- d. Lay-off with no recall within twelve (12) months;
- e. Termination of employment without rehire within twelve (12) months.

4.3. DEFINITION OF REDUCTIONS IN FORCE AND RECALL

- a. In a reduction in force and subsequent recall, the principle of seniority, as defined in Section 4.1, shall govern, providing that abilities are adequate.
- b. A reduction in force (layoff) shall be defined as the permanent elimination of an Employee's position or a reduction from Full-Time to Part-Time or to Per Diem status. A reduction in hours of a Full-Time or Part-Time Employee(s) which results in an employment status change to Per Diem or results in the loss of the Health Plan or Paid Time-Off Coverage is also deemed to be a reduction in force.
- c. Reduction in force language outlined in this Article will only apply to Full-Time, Part-Time Employees, except as otherwise specifically referenced. In the event of a reduction in force, the Employer shall determine the classification and number of positions to be reduced. Reductions shall be conducted by department, classification, employee status (i.e., Full-Time, Part-Time, Per Diem) and shift

with affected Employee(s) determined by reverse seniority and conducted pursuant to Section 4.4.

4.4. SELECTION FOR REDUCTIONS IN FORCE AND RECALL

- a. In the event of a reduction in force, the following steps will be followed in order to determine placement of the affected Employee(s):
 - i. Step One. The affected employee(s) will be offered the ability to elect a voluntary layoff status at any step of the reduction in force process and shall be eligible to receive full severance benefits. An affected Employee may elect to be placed in per diem status at any time during Steps 1 - 5 of the reduction in force process outlined below. An Employee who elects either status will retain his/her recall rights.
 - ii. Step Two. The affected Employee(s) may apply for and will be given any open position within the bargaining unit for which they are qualified and for which they meet position requirements within the Bargaining Unit. Affected Employees may exercise this option at any time during Steps 1 - 5 of the reduction in force process, which shall supersede the bidding process. An affected full-time Employee, at his/her option, may be placed into any vacant part-time position in the above order, and provided he/she meets the position requirements.
 - iii. Step Three. The affected Employee(s) will be placed into any vacant position of the same employment category, pay, shift and classification provided he/she meets the position requirements within the Bargaining Unit. Employee(s) placed into a comparable vacant/open position(s) within the Bargaining Unit will not have recall rights. If an Employee rejects an open comparable position offered at this Step, then the Employee will forfeit all displacement rights. Such refusal would result in the Employee being laid off and the forfeiture of recall rights, however, such Employee shall be eligible to receive full severance benefits.
 - iv. Step Four. Employees who do not qualify for placement in Step 2 or Step 3 may displace the least senior Employee in his/her current classification and employment category, provided he/she meets the minimum position requirements, in accordance with Appendix A (Department Groupings).
 - v. Step Five. If there is no less senior Employee in his/her current classification, the Employee may displace the least senior Employee in another classification if the Employee affected by the reduction in force has greater seniority than the Employee in the other classification and the bumping Employee has worked in the other classification within the past twelve (12) months, meets the minimum position requirements, is able to pass the basic skills competency for the position as determined by the Hospital, and is able to satisfactorily perform the job with minimal orientation.

No recall rights will be given to any Employee who rejects to displace another Employee in his/her classification, shift, and employment category in their Department or the Hospital. An affected Full-Time Employee, at his/her option and at any time within the Steps above, may elect to displace the least senior benefited part-time Employee or an Employee on another shift in his/her classification, or return to his/her former classification, provided he/she meets the minimum position requirements.

Definition of Departments for Reduction in Force is established in Appendix A and made a part of this Agreement hereto.

b. Recall

- i. An Employee on layoff status or whose status was changed as a result of a reduction in hours, shall have recall rights in accordance with this provision for twelve (12) months from the date the Employee was laid off or had his/her employment category reduced. Recall will be by seniority, as defined in Article 4a.
- ii. Employees placed into a position on a different shift, employment category, or former classification in Step 3, Step 4 or Step 5 shall have rights to return to his/her former shift, employment category and classification (within the Bargaining Unit), under the recall rights provisions for the defined "recall" period. If an Employee rejects the open comparable position, then the Employee will be taken off the recall list.
- iii. A laid off Employee may refuse a job offer and retain full recall rights if the job is not comparable in employment category, shift, classification, and pay to his/her former position at the time of layoff. Additionally, a laid off Employee who accepts a job that is not comparable shall retain recall rights for the remaining term back to a comparable employment category, shift, classification, and pay at the time of layoff.
- iv. In order to be eligible for recall, the Employee must keep the Hospital informed as to his/her current address and current telephone number. Recall notice to Employees on layoff shall be sent by certified mail, return receipt requested, to the Employee's last known address, with a copy sent to the Union. The Employee must return from layoff within ten (10) working days after receipt of notice to return to work, unless there are mitigating circumstances or by mutual agreement with the Employee or the Union, or lose all recall privileges.

- c. Per Diem Reduction in Force. In the event of a reduction in force, Per Diem positions shall be reduced before any Full-Time or Part-Time positions. The number of Per Diem Employees in the classification(s) in which reductions are needed will be laid off in inverse order, using Per Diem seniority.

- d. Reduction in Force Notice. The Hospital agrees to give the Union and each Employee as much notice of a reduction in force as possible, and shall provide such notice immediately upon the Hospital's decision need to implement reductions in force which will affect Bargaining Unit Employees. In no event, shall notice be given to the Union and each employee less than two (2) weeks before any implementation of a reduction in force. WARN notices shall be provided if required by State or Federal law.
- e. Application of Reduction in Force Procedure. The parties recognize that reductions in force are extremely serious matters and that even well intentioned procedures may result in unintended applications. Therefore, the parties agree to communicate and meet during any application of the procedures to ensure its correct application to Employees. Nothing contained herein shall prevent the parties from mutually agreeing to modify the procedure in a specific reduction in force application should the need arise.
- f. Severance Pay
 - i. Severance pay will be provided to a regular Full-Time and regular Part-Time Employee whose employment is terminated as a result of a reduction in force provided he/she executes the Hospital's standard release, which shall not require waiver of any recall rights provided by this Agreement. The amount of severance pay will be one (1) week of pay per year of service, up to twelve (12) weeks, with a minimum of two (2) weeks' pay. Payment will be at the Employee's current base rate and partial years will not be prorated.
 - ii. Effective beginning the date of this Agreement, an Employee who is laid off, receives severance pay and is returned to work before the period which severance pay covered, shall have their future entitlement for severance pay adjusted accordingly (e.g. the Employee who receives ten (10) weeks' severance pay and is returned in five (5) weeks would have five (5) weeks' less of severance pay in the future).

ARTICLE 5 – JOB VACANCIES, POSTING AND BIDDING

5.1. POSTING OF VACANCIES

When a vacancy subject to this Agreement occurs in any bargaining unit position, a notice of that vacancy shall be posted on the intranet for a minimum period of seven (7) days before the Hospital fills the vacancy on a permanent basis. Qualifications for vacant positions shall appear on position postings. Postings shall include the hours, shift, days off (if fixed), and whether the days off are fixed or variable, holiday rotation schedule, and primary assignment and work duties (where applicable). This does not prevent the Hospital from filling the vacancy on a temporary basis until such position is filled. The Hospital may hire a new Employee for any vacancy for which no qualified Employee has bid within the seven (7) day period.

5.2. BIDDING ON POSTED VACANCIES

Any current Employee who has completed his/her probationary period may apply for a posted vacancy by applying through the Hospital's online application system. Probationary Employees may apply for posted vacancies only within the same department, and only with hospital approval, which shall not be unreasonably withheld.

5.3. RESTRICTIONS IN BIDDING

An Employee who applies for and is awarded a posted position may not be awarded another posted vacancy within the next six (6) months. This rule shall not apply:

- a. If the posted vacancy arises in the same department (for the Nursing department, only within the Unit) which would result in a lateral transfer and not a promotion, including a change in the number of pre-scheduled hours of the bidding Employee, or the scheduled start and end times, or the days of work and days off, or the Employee's shift or would change the Employee's classification.
- b. If the bidding Employee is in his/her current position as a direct result of a job change or layoff.

5.4. PREFERENCE ORDER

- a. Preference among those bidding shall be given in the following order among bidding Employees from the same preference level. Among bidding Employees from the same preference level, seniority shall govern. The prior sentence is subject to the provision that 1) the bidding Employee must meet all reasonable qualifications of the job established by the Hospital (the Union has the burden of establishing that the Hospital's qualifications are unreasonable), and 2) ability, and performance must meet minimum qualifications in the Hospital's reasonable judgment, and if the Hospital's judgment is disputed, the Hospital has the burden of establishing that its judgment was reasonable.
 - i. Full-Time and Part-Time Employees from within the bargaining unit, including Full-Time and Part-Time Employees on layoff and regular Employees who remain on the Per Diem list who have been laid off.
 - ii. Per Diem Employees from within the bargaining unit. For purposes of this Section, date of hire shall be substituted for Seniority for Per Diem Employees.
 - iii. Other applicants: The Hospital shall be the sole judge of the fitness of any applicant.
- b. Departments Defined for Job Bidding Purposes. Set forth in Appendix A, which is made a part of this agreement hereto.

- c. Notification of Selection. Employees submitting a written bid for a posted vacancy under this Subsection shall be timely informed by the Hospital whether or not they are awarded the position.
- d. Seniority Application. The seniority of bidding Employees shall be determined by the Employee's most recent uninterrupted date of employment, as defined in Article 4a, within the preference order in this Article, rather than in the particular classification or Employee category.
- e. Limitation. It is understood that any bid under this Section is limited to vacancies in Bargaining Unit positions and not day to day assignments arising from rotation of personnel, paid time off, or sickness relief.
- f. Evaluation Period after Promotion or Transfer. Employees who are promoted to a new position or who transfer to another position through the bidding process shall have orientation as necessary, and such Employees shall have up to thirty (30) days of evaluation of their performance. The Employee may have the option to return to their former position within ten (10) days of starting the new position with no loss. If, at any time within the thirty (30) day period, the Employee fails to perform satisfactorily, such Employee shall be returned to his/her former position including shift, assignment, and scheduled hours without loss of seniority, provided that the position still exists; if the position no longer exists, such Employee will be returned to a position that is as nearly comparable to the former position including shift, assignment and scheduled hours as possible.

5.5. UNFILLED POSITIONS.

The Employer shall respond in a timely manner to inquiries from Union Stewards or Representatives regarding the status of posted vacancies and unposted vacated positions.

ARTICLE 6 – NON-DISCRIMINATION AND HARASSMENT

6.1. DISCRIMINATION

The Hospital and the Union agree that there shall be no discrimination against any Employee/applicant because of race, color, religion, national origin, sex, sexual orientation, gender identity, age, disability, marital status, union status, or any other characteristic protected by applicable state and federal laws including, the California Fair Employment and Housing Act, Title VII of the 1964 Civil Rights Act, the Age Discrimination in Employment Act, and the Americans With Disabilities Act.

6.2. HARASSMENT

- a. The Hospital and the Union are committed to providing a work environment free from unlawful harassment. The Hospital will not tolerate actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, religion, sexual orientation, gender identity, or any other legally protected characteristic.

- b. The Hospital will take all reasonable steps to protect any Employee who, in good faith, reports harassment from continuing harassment and from retaliation because of having reported the harassment. The Hospital will also take all reasonable steps to protect witnesses who cooperate in any investigation of alleged harassment from retaliation. If the investigation reveals that the complaint is substantiated, appropriate remedial steps will be taken in an effort to stop the harassment and prevent its recurrence.

6.3. REMEDIES

- a. Any Employee who believes to have experienced unlawful harassment, discrimination, or retaliation or to have been unfairly accused of engaging in discrimination or harassment must, as a prerequisite to any relief, make use of the complaint and investigative, and appeal, procedures provided by the Employer. Employees may obtain information about the proper complaint and investigation procedures from Human Resources at 323.442.8628 or USC Office for Equity, Equal Opportunity and Title IX (“EEO IX”) at 213.740.5086.
- b. After a final decision as to the outcome of the complaint and the Hospital has taken final action pursuant to that decision, an Employee who is not satisfied with the results of that investigation, or any actions taken or not taken by the Hospital pursuant to that investigation, may either pursue the grievance procedures set forth in Article 9 of this Agreement or, in the alternative, such other legal or arbitral forum that might be available to the Employee, but not both.

ARTICLE 7 – UNION NON-DISCRIMINATION

There shall be no discrimination by the Hospital or the Union against any Employee because of membership in or activity on behalf of the Union. Union Representatives shall not be transferred or reassigned to another area of work as a result of Union activities.

ARTICLE 8 – COMMITTEES FOR QUALITY CARE AND WORKING ENVIRONMENT

8.1. ADEQUATE STAFFING LEVELS

The Employer reaffirms its practice to maintain adequate staffing levels based on patient census and patient acuity, as required by law. Should an Employee believe staffing levels are insufficient to permit the delivery of adequate patient care, he/she shall undertake work assignments but may do so under oral or written protest. In an emergency situation where there is a potential danger to patient, the Employee shall immediately notify the supervisor/manager/ designee who will physically visit the unit to assess the situation. Corrective action will be implemented if necessary. The Employer shall not require an Employee in any case to perform a work assignment outside the lawful scope of his/her license.

The parties agree there shall be total compliance with Title 22, Section 70217, “Nursing Service Staff” in California to the extent it is applicable to bargaining unit Employees.

8.2. QUALITY OF CARE COMMITTEE

- a. Committee Composition. The Hospital and the Union agree that quality patient care and an appropriate working environment require adequate staffing and that staffing levels within all departments vary with census, acuity, shift, the specialization of various areas, changes in the specialization of the units, and structural changes in delivery of patient services. In recognition of the foregoing, the Employer will establish a committee comprised of the following:

	KECK HOSPITAL	NORRIS HOSPITAL
MANAGEMENT	(6) Management employees selected by the Employer	(4) Management employees selected by the Employer
BARGAINING UNIT	(6) Bargaining unit Employees selected by the Union.	(4) Bargaining unit Employees selected by the Union.
DESIGNATED FIELD REPRESENTATIVE	(2) Designated Union Field Representative may participate in the meeting.	(2) Designated Union Field Representative may participate in the meeting.

The parties may mutually agree to expand the number of representatives to this committee as the need arises. The Union shall use its best efforts to recruit Committee members from various departments or units. No more than one Employee from any grouping shall be a committee member at any given time.

- b. Purpose. The purpose of this committee is to monitor the quality of patient services and to make recommendations to improve patient service in the context of work design, if applicable or in the current method of system of patient services delivery. The function of the Committee is also to constructively discuss the quality of the working environment and ways and means to improve patient service and safety and health conditions which affect patient service.

It is further agreed that the Committee may make recommendations to the Employer, but management reserves the right at its sole discretion to determine whether to implement any such recommendations.

- c. Meetings. The Employer will allow two (2) hours per month of paid time for each Employee member of the committee to attend meetings per facility. One (1) hour of each monthly committee meeting may be used for preparation prior to meeting with the Employer, per facility. The paid time allotted to attend meetings may be extended by mutual agreement if the parties determine that more time is needed for the purpose of reviewing, discussing and resolving issues related to

Employee health and Safety concerns. Employees will not be denied paid time for attending scheduled meetings when not regularly scheduled to work. This paid release time shall not be scheduled in such a way as to create overtime.

Nothing in this agreement shall prevent an employee, the Union or the Hospital from subsequently pursuing an otherwise grievable issue through the grievance and arbitration procure as outlined in the CBA.

ARTICLE 9 – GRIEVANCE PROCEDURE

9.1. DEFINITION

- a. Grievance. A grievance is a dispute over the interpretation, meaning or application of a specific provision of this Agreement.
- b. Employee Grievance. An Employee grievance is a grievance filed by the Union on behalf of any Employee.
- c. Union Grievance. A Union grievance is a grievance filed by the Union on its own behalf.
- d. Hospital Grievance. A Hospital grievance is a grievance filed by the Hospital. Hospital grievances shall be commenced at Step 2.

9.2. PROCEDURE

A Grievance as defined herein, shall be considered in accordance with the following grievance procedure and no grievance shall be considered which has not been presented in accordance with this procedure, including the specific timelines established herein, except where timelines have been extended by written mutual consent.

- a. Step One. An Employee must make a reasonable effort to resolve any possible dispute informally in a discussion with the Employee's immediate supervisor, or with the Director of the Department in which the Employee works. If an Employee is unable to resolve the possible grievance, the Union Steward (if requested by the Employee) and the Employee will have a discussion with the Manager/Director of the Department. This requirement must be satisfied before a written grievance is submitted at Step 2. Under no circumstance will the time to file a written grievance under Step 2 be extended to accommodate the Step 1 meeting.

If the grievance is the result of a suspension or termination, the grievance may begin at Step 2.

- b. Step Two. If an Employee or Union grievance cannot be resolved informally, it shall be reduced to writing. The written grievance shall be submitted to a Senior Employee and Labor Relations Representative or his/her designee within thirty (30) calendar days after the event on which the grievance is based.

The written grievance form must:

- i. allege the violation of a specific provision or provisions of this Agreement,
- ii. set forth the date, time and description of the Step 1 meeting, or when a Step 1 meeting was attempted,
- iii. set forth all factual grounds upon which the allegation is based, including the date of the alleged violation, and
- iv. each specific remedy or correction that is being sought from the Employer, provided, however, it is recognized that prior to filing for arbitration the Union shall be permitted to modify any proposed remedy based on facts that emerge from the resulting grievance investigation.

Within thirty (30) business days after receipt of the written grievance, a meeting shall be held with a Senior Employee and Labor Relations Representative or his/her designee to discuss the grievance. In the case of any Employee grievance both the grievant and a Union Steward or Field Representative may be present at the meeting. Within thirty (30) business days after the meeting, the designated representative of the party charged with the violation shall respond to the grievance in writing.

Hospital grievances shall begin at Step 2. The Hospital must discuss its grievance with the duly authorized Field Representative in an effort to resolve the dispute. This requirement must be satisfied before the Hospital submits the grievance to arbitration in Step 3.

- c. Step Three. If the response of the party charged with the violation in Step 2 is not satisfactory to the other party, the other party may submit the grievance to arbitration by requesting a panel of arbitrators from the Federal Mediation and Conciliation Service (FMCS) and providing the other party written confirmation the request has been timely submitted. In order to be timely, the FMCS request must be filed and confirmation of the request provided to the charged party and received within twenty-one (21) calendar days after the receipt of the Step 2 response.

9.3. ARBITRATION (Step 3)

- a. If agreement is not reached at Step 2 the grieving party shall, if at all, within twenty-one (21) calendar days after the receipt of the Step 2 response, advance the grievance for binding arbitration pursuant to the rules of the FMCS by requesting a panel of arbitrators and providing written confirmation of the request to the other party. The party filing for binding arbitration shall request a panel of seven (7) arbitrators, each of whom must be members of the National Academy of Arbitrators and shall have a primary mailing address located within the FMCS' Metropolitan Area for the Employer. The Employer and the Union shall

alternatingly strike one name from the panel with the party filing for arbitration striking first. The last remaining arbitrator on the panel shall be the arbitrator for the grievance. Prior to striking the panel, if the Employer or the Union finds an otherwise compliant panel to be unacceptable, a second panel may be requested. The jurisdiction of the arbitrator shall not exceed those subjects identified herein in the original Step 2 grievance document. The parties shall complete the alternating striking process within fourteen (14) calendar days of receiving the panel from FMCS.:

- b. A hearing on the grievance shall be held at a time and place agreed to by the parties and the arbitrator, at which the Hospital and the Union shall present their respective positions, evidence and arguments. The sole parties to the arbitration proceeding shall be the Hospital and the Union. The arbitrator's decision shall be rendered in writing and shall be final and binding on the parties and on all affected bargaining unit Employees. It shall be issued not more than thirty (30) calendar days after the close of the hearing or the filing of briefs, whichever is later.
- c. The arbitrator's authority is derived from this Agreement and his/her jurisdiction is limited to the interpretation and application thereof. He/She shall not have authority to:
 - i. amend or modify any provision of this Agreement; or
 - ii. render an award on any grievance arising before the effective date, or after the termination date.

In the event an unfair labor practice charge is deferred to arbitration, the arbitrator shall have the authority to resolve the unfair labor practice charge under the then applicable standard of the National Labor Relations Board.

- d. The fee and expenses of the arbitrator, the court reporter's appearance fee, and the cost of neutral facilities shall be borne equally by the Hospital and the Union.

9.4. TIME LIMITS

The time limits and other procedural requirements set forth in this Article must be strictly adhered to unless mutually extended by the express agreement of the Hospital and the Union. No request for extension may be considered unless submitted before the expiration of the applicable time limit. If the Hospital fails to respond to a grievance within the applicable time limits, (including any extensions) the grievance may be appealed immediately to the next step. If a grievance is not appealed to the next step of the procedure within applicable time limits by the Union, the grievance will be considered resolved on the basis of the last Hospital response to the grievance. In the event of a dispute over whether any party has failed to adhere to any timing or formal requirements of this Article, the other party may insist upon bifurcation of the arbitration with one arbitrator determining whether the grievance is arbitrable and a different arbitrator, if necessary, issuing an award on the merits.

ARTICLE 10 – DISCIPLINE

10.1. JUST CAUSE

The Hospital may only discipline or terminate an Employee for just cause. Any discipline or discharge may be subject to the grievance procedure in Article 9.

10.2. PROGRESSIVE DISCIPLINE

Unless circumstances warrant more severe actions, the Hospital will attempt to utilize a system of progressive discipline. Progressive steps may include verbal counseling, written counseling and/or warnings, disciplinary suspensions without pay, and termination of employment.

10.3. INVESTIGATORY SUSPENSION

No Employee shall be held in unpaid investigatory suspension for more than 7 calendar days.

10.4. WRITTEN DISCIPLINARY ACTION

A written warning is a document designated as such by the Hospital. An Employee who receives a written warning shall be given a copy of the warning and shall sign a receipt to acknowledge having received the document. Acknowledging receipt of the warning shall not constitute an admission of the Employee's agreement with the substance of the warning.

A Union grievance contesting a written warning shall be subject to the requirements of the grievance procedure in Article 9.

10.5. DISCIPLINARY NOTICES, REBUTTAL, AND INSPECTION OF PERSONNEL FILES

- a. There shall be one official personnel file for all bargaining unit Employees and they shall have the right to inspect and to be provided, on request, with one copy of any document in the Employee's file.
- b. Employees will receive copies of all disciplinary notice(s) placed in their personnel files and shall have the right to rebut in writing any disciplinary notice. Such rebuttals, other than grievances, shall be attached to the disciplinary notice and placed in the personnel file.
- c. In any case where the Hospital and the Union agree to revise personnel record disciplinary material, the Hospital shall, upon request, provide evidence of the revision.
- d. No disciplinary document shall be utilized for progressive discipline beyond twelve (12) months of its issuance. Specific to excessive occurrences of

attendance or punctuality, no disciplinary documents shall be utilized for progressive discipline beyond twelve (12) months of its issuance.

10.6. ADDITIONAL REPRESENTATION RIGHTS

The following holding of the U.S. Supreme Court in *NLRB v. Weingarten, Inc.*, shall apply to investigatory interviews conducted by the Hospital that an Employee, upon his/her request, is entitled to have a Union representative present during an investigatory interview in which the Employee is required to participate where the Employee reasonably believes that such investigation will result in disciplinary action. The right to the presence of a Union representative (Field Representative or Union Steward) is conditioned upon a requirement that the Union representative be available for participation in such investigatory interview within twenty-four hours, excluding Saturday, Sunday, and Holidays, of the Employee's request for his or her presence.

10.7. PROBATIONARY EMPLOYEES

An Employee will be on probation for the first ninety (90) calendar days and may be discharged or disciplined in the Hospital's discretion without establishing just cause, and such probationary period may be extended for an additional ninety (90) calendar days upon written notice to the Employee and the Union.

ARTICLE 11 – HOURS OF WORK, OVERTIME AND SCHEDULING

11.1. STATE AND FEDERAL WAGE AND HOUR LAWS

The Hospitals will comply with all applicable local, State, and Federal wage and hour requirements.

11.2. WORKDAY AND WORKWEEK

- a. A workday is defined as the consecutive twenty-four (24) hour period beginning at 12:00 midnight each day.
- b. A workweek is defined as the seven (7) calendar day period that starts at 12:00 midnight on Sunday and ends at 11:59 p.m. the following Saturday.
- c. It is understood and agreed that the workday and workweek are defined above for the purposes of complying with the overtime requirements under state and federal wage and hour laws and that the workday and workweek may be changed by the Hospitals to comply with such laws so long as such changes are not designed to evade the overtime requirements.
- d. Nothing herein shall be deemed or construed to change the Hospitals' current practice as to the aggregation of consecutive hours into a single workday in which a shift commences for purposes of calculating for overtime compensation.

- e. Each Employee will receive two (2) consecutive days off each week, provided that the days off may be split or rotated at his/her written request, or for eight (8) hour shift Employees, in order to achieve every other weekend off scheduling.
- f. Except in a department(s)/unit(s) where an Employee(s) is regularly scheduled to be on standby/on-call, no Employee will be scheduled to work in excess of five (5) consecutive days without his/her consent.
- g. Twelve (12) hour shift Employees will not normally work more than the schedule they were hired into with up to three (3) shifts of twelve (12) or more hours per week (or a three (3) and four (4) shift schedule per pay period), except by mutual agreement.
- h. Past practices of consecutive or non-consecutive day schedule in which Employees may have fewer than two (2) consecutive days off each week may be continued at the Employee's discretion. No Employees shall be required to work two (2) shifts (i.e., a double shift) within a period of twenty-four (24) hours except in cases of emergency.
- i. The Hospitals and the Union may negotiate a certain number of regular schedules in a department not to exceed 10% of the schedules in a department in which Employees may work a regular schedule that involves working every weekend. The Hospitals will notify the Union of such intent in writing, no less than thirty (30) days prior to the proposed implementation date and upon request of the union to negotiate over the proposal. No Employee who is currently assigned a schedule that includes at least every other weekend off can be involuntarily assigned to work on every weekend schedule. Once the schedules are posted, they will be filled in accordance with Article 5. Employees who work regular schedules providing for working every weekend are not entitled to the every other weekend off provisions outlined above.

11.3. PAYROLL PERIOD

The payroll period will consist of a fourteen (14) day period that begins on Sunday at 12:00 midnight and ends on Saturday of the following week at 11:59 p.m.

11.4. OVERTIME

- a. Mandatory Overtime. The Hospital and the Union recognize that mandatory overtime is not desirable and represents a burden on the Employee. Acceptance of overtime and shifts beyond the Employee's schedule shall be voluntary and in accordance with state law or regulations, except where patient care would be endangered by an internal or external emergency declared by state, local or federal government or declared by the administrator on duty. An external or internal emergency, for the purposes of this Section, is defined as an unexpected situation of sudden occurrence of a serious and urgent nature that demands immediate attention, such as an unpredictable or unavoidable occurrence at unscheduled or unpredictable intervals relating to healthcare delivery requiring

immediate interventions and care such as natural disasters, situations of mass casualties or an internal emergency endangering patient care such as fire, structural collapse, bomb threats, hazardous material spills or any other unanticipated event.

- b. An Employee must obtain supervisory approval prior to working any hours that would require the payment of overtime unless to do so would jeopardize patient care. An Employee unable to obtain prior authorization must document the reason in Kronos on the day the overtime was incurred and must verbally notify his/her supervisor of the situation prior to leaving at the end of the shift.
- c. Employees working extra overtime shifts will not be cancelled by the Employer on their regularly scheduled day the following week for the purpose of avoiding paying premium pay.

11.5. SHIFTS

- a. “8 and 40” Work Schedule. An Employee who is assigned to an “(8) and 40” work schedule will be paid at the rate of one and one-half (1½) times his/her regular rate of pay for all hours worked after the first eight (8) hours in a workday or over forty (40) hours in a workweek and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.
- b. “8 and 80” Work Schedule. An Employee who is assigned to an “8 and 80” work schedule will be paid one and one-half (1½) times his/her regular rate of pay for all hours worked after the first eight (8) hours in a workday or over eighty (80) hours in a fourteen (14) day pay period and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.
- c. Ten (10) Hour Shifts. An Employee who is assigned to work ten (10) hour shifts will be paid at the rate of one and one-half (1½) times his/her regular rate of pay for all hours worked after the first ten (10) hours in a workday or over forty (40) hours in a workweek and two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a workday.
- d. Twelve (12) Hour Shifts. An Employee who is assigned to work twelve (12) hour shifts will be paid two (2) times his/her regular rate of pay for all hours worked after the first twelve (12) hours in a work day and will be paid at one-half (1 ½) times his/her regular rate of pay for all hours worked over forty (40) in a workweek.
- e. Regular Rate. For the purpose of computing overtime pay, the regular rate of pay shall be calculated in accordance with the Fair Labor Standards Act, as amended.
- f. Split Shift. The hospital will not split shifts once an Employee has reported to work.

11.6. WORK SCHEDULES AND POSTING

- a. The Employer will post work schedules at least fourteen (14) days in advance of their commencement dates and may at the Hospitals' discretion, also be posted on a web based scheduling software program. Once posted, every Employee is required to review the schedule and ensure they are aware of the dates and times they are expected to work. Such schedules will cover a minimum period of four (4) weeks.
- b. As an exception to Subsection 11.6(a) above, a department/unit that permits self-scheduling in accordance with 1.6(c), below will attempt to post work schedules at least fourteen (14) days in advance of their commencement dates and such schedules will cover a minimum period of four (4) weeks. Such Employees shall make every effort to submit scheduling requests to their department head at least twenty-one (21) days in advance of scheduled commencement date.
- c. Wherever applicable, the Employer shall continue its existing practice(s) of permitting Employees to self-schedule on a department/unit-by-department/unit basis. The respective department Director or his/her designee will consider and make a reasonable effort to grant Employees' self-scheduling requests, provided such requests are submitted in a timely way and that they are consistent with departmental/unit needs and the operating requirements of the Employer.
- d. Changes to the posted schedule will be made only by agreement between the Employee and the Hospital consistent with department and patient care needs. Requests by Employees for changes to a posted schedule must be made and approved in writing or online via the scheduling program, if applicable by the department Director or his/her designee.
- e. A regularly scheduled Employee may trade a shift or workday (including Holiday shifts) with another regularly scheduled Employee provided they have substantially equal competencies. Such trades are subject to the written or electronic approval of the department Director or his/her designee and, except in emergency situations, should be submitted at least forty-eight (48) hours in advance. A shift trade will not be approved if it would increase overtime or extra shift premium costs for the Employer.
- f. Should the Employer determine that it is necessary to change/revise a schedule (s) for more than sixty (60) minutes, and if the changes affects more than three (3) current Employee(s) in positions covered by the CBA, the Employer agrees to notify the union in writing no less than thirty (30) days prior to the implementation date. If the Union requests, the Employer will meet with the union steward and union representative to make a reasonable attempt to review/revise the schedule so as to have the least impact on the fewest number of full-time and part-time staff possible. Once the new schedule is established, bidding will be accomplished by seniority within each classification. None of the foregoing shall affect the Employer's ability to make any changes or exercise any rights provided for in Article 21 (Management Rights).

11.7. WEEKEND SCHEDULING

- a. An Employee whose regular schedule does not provide for working every weekend but who is working in a department/unit with weekend scheduling may be scheduled to work every other weekend, up to a maximum of two (2) weekend shifts per scheduled weekend. However, Employees will be scheduled with at least every other weekend off. If one shift is scheduled and worked on a weekend it shall constitute the weekend worked.
- b. A weekend means Saturday and Sunday, except for the night shift, when a weekend means Friday, Saturday and Sunday.
- c. Nothing herein shall preclude an Employee from volunteering to be scheduled for additional weekend shifts.
- d. An Employee may request to share his/her weekend shift requirement with another Employee with substantially equal competencies. Approval of such requests will be at the discretion of the Employer and will not be unreasonably withheld, except that an Employee's request will not be approved if it would increase overtime or extra shift premium costs for the Employer.
- e. Notwithstanding the above, Per Diem Employees will be scheduled to work weekends in accordance with their per diem agreements and Employees hired specifically to work weekends will continue to be scheduled to work weekends.
- f. Employees shall not be required to "make up" missed weekend days; however this shall not be interpreted as diminishing an Employee's overall attendance obligation.
- g. For departments that do not have weekend operations the Employer will notify the Union of its decision to add weekend scheduling to the work schedule no less than thirty (30) days prior to the implementation date. If the Union requests, the Employer will meet with the union steward and union representative to discuss minimizing the impact of the new schedule as established. None of the foregoing shall affect the Employer's ability to make any changes or exercise any rights provided for in Article 21 (Management Rights).

11.8. ADDITIONAL HOURS

Departments/units will maintain a shift or departmental availability list and will attempt to cover any additional hours from such list, subject to competency, in accordance with the steps below. Regular Full-time and Part-time Employees will be placed on the availability list to be selected in seniority order. Using their dates of hire, Per Diem Employees will be placed on the availability list after all Regular Full-Time and Part-Time Employees. This Section applies only to the system for allocation of additional hours, not pay practices associated with the allocation of those additional hours.

- a. Straight Time. Additional hours shall first be offered on a rotational basis beginning with the most senior Employee from the volunteer availability list who has the necessary competency and whose acceptance of such additional hours will not result in overtime. The department/classification specific volunteer availability list will be posted and maintained by Employees in the department/unit or the staffing office, whichever is appropriate. Employees will be responsible to maintain the accuracy of their availability and desire to be considered for additional hours. Straight time hours will be distributed starting with the senior-most volunteer, including per diems, and continue down the availability list, so that no Employee works more than one additional shift without all Employees on the list offered the opportunity to work an additional shift.
- b. Overtime. If the Employer is unable to cover the additional hours without incurring overtime, then such additional overtime hours will be offered on a rotational basis beginning with the most senior Employee from the availability list who has the necessary competency. If the senior-most competent volunteer is not available, the Employer will proceed down the availability list, so that no Employee works more than one additional overtime shift without all Employees on the list offered the opportunity to work an additional overtime shift.

In the event there are no volunteers on the availability list, the Employer will be free to offer the additional hours to any other qualified Employee volunteer who is at work, in seniority order. In the event there are no volunteers on the availability list or at work, the Employer will be free to offer additional hours to any other qualified Employee.

- c. Confirmation/Scheduling
 - i. At least two (2) hours prior to the start of the shift, an Employee who has indicated his/her availability will be notified by the Hospital that he/she is needed for the additional hours or overtime that he/she has signed up for.
 - ii. At least two (2) hours prior to the start of the shift, an Employee has made himself/herself available for additional hours or overtime, that Employee may remove his/her name from the availability list without penalty, unless that Employee has already been confirmed.
 - iii. Once the hours/shift/overtime has been confirmed, this is considered a scheduled shift and will default to any and all provisions surrounding scheduling, time and attendance, including Call off/Flexing.
 - iv. It is understood that the Hospital will first attempt to fill its staffing needs through the straight time hours process outlined above prior to making use of overtime.

11.9. CALL-IN PROCEDURE

An Employee reporting absent for a shift, or portion thereof, will call in the absence and will describe the reason for such absence to his/her department Director or his/her designee as soon as he/she knows the absence will occur. An Employee calling in less than two and a half (2½) hours prior to the commencement of an absence may be required on request to provide reasonable substantiation to explain why such absence could not have been called in earlier by the Employee or another person acting on his/her behalf. Compliance with this call in requirement is necessary for staffing reliability and will not operate to excuse unscheduled or unauthorized absences.

11.10. CALL OFF/FLEXING

- a. It may be necessary to require an Employee to take time off without pay during temporary periods of low census or on other occasions when staffing needs to be adjusted on a temporary basis (Call Off/Flexing). Eligible Employees who are cancelled may take the day off without pay or use Paid Time Off (where applicable), at the Employee's discretion.

Each instance of Call/Off/Flexing is considered an incident, regardless of the number of hours not worked as a result of Call Off/Flexing.

- e. The Hospital will accept volunteers for Call Off/Flexing before any other Employees provided that such voluntary Call Off/Flexing do not result in retaining an Employee at premium pay who would have been Call Off/Flexed if the Employer had followed the list above, unless the Employer permits.
- f. Call Off/Flexing Notice. For Employees called off before the shift commences, the Hospital will attempt to Call Off/Flex Employees at least two (2) hours prior to the commencement of their scheduled shift. Nothing herein shall be construed as preventing a call off/flex during the shift, when necessary.
- g. Call Off/Flexed Employees Off the Schedule. Once called-off, an Employee is considered off the schedule and shall not be required to maintain contact or be available to work, unless the Employee has agreed to accept Standby status and is compensated accordingly, for the shift or portion thereof.

11.11. NO GUARANTEE

Nothing in this Agreement shall be construed to constitute a guarantee of hours of work per day or per week or of days of work per week.

11.12. NO PYRAMIDING

There will be no pyramiding of overtime and premium payments for the same hours worked. To the extent that hours are compensable as overtime under provisions of this Agreement and where two (2) or more overtime provisions apply, the greater will prevail.

The Hospital shall timely notify the Union of all meaningful changes to job content and responsibilities. If a satisfactory resolution is not forthcoming at that level, the matter may be appealed by the union through the grievance procedure and, if necessary, to arbitration. In the event it is determined that a wage increase is in order, the adjustment shall be retroactive to the implementation date of the subject job changes.

Night shift Employees will be excused the shift before and the shift after they are required to report to court for jury duty.
- c. Return to Work. It is the Employee's responsibility to report to work at the end of an approved leave (not daily) for jury duty. Failure to do so may result in disciplinary action up to and including termination of employment.

The Employee will be required to continue payment of any required contributions for Employee benefits during the jury duty leave.

19.12. WITNESS LEAVE

An Employee who is required by law to appear in court as a witness may take time off for such purpose provided he/she gives the Hospital reasonable advance notice. An Employee who appears as a witness at the request of the Hospital will receive pay at his/her base rate during such time.

Prior to the sale or transfer, the Hospital(s) shall inform the new owner and/or employer or entity of the existence of this Agreement and of its terms and conditions; shall require the new owner, employer or entity to retain all or substantially all of the bargaining unit employees, recognize the Union as the collective bargaining representative and to assume any existing bargaining agreement. The parties agree that compliance with this Article shall constitute full satisfaction of any and all obligations to bargain regarding such sale or transfer, and the Hospital(s) shall have no further obligation to the Union with respect to a sale or transfer of control of the Hospital.

ARTICLE 21 – MANAGEMENT RIGHTS

Subject to the laws and regulations governing the healthcare industry, the Hospital retains, solely and exclusively, all the rights, powers and authority exercised or possessed by it prior to the execution of this Agreement, except as expressly limited, delegated or deleted by a provision of this Agreement. ARTICLE 22 – SUBCONTRACTING

- 22.1. The Hospital may subcontract all or part of any operation performed by Employees. Where such subcontracting would displace an Employee, the Hospital shall provide the Union with thirty (30) days prior notice of its decision to subcontract so that the Union can discuss the effects of such subcontracting. In the event that the subcontracting of any operation would result in the displacement of twenty (20) or more employees, the Hospital will require any subcontracting entity to offer employment to the affected employees and to maintain their current rate of pay for a period of not less than ninety (90) days.
- 22.2. The parties desire to maximize stability in their labor relations. This effort includes their concern for the working environment and labor practices of subcontractors operating within the Hospital. The Hospital supports and shall encourage its contractors to honor “a position of neutrality in the event there is a legitimate attempt by a labor organization to organize the subcontractor’s employees”.

ARTICLE 23 – UNION SECURITY

23.1. UNION MEMBERSHIP AS A CONDITION OF EMPLOYMENT

During the life of this Agreement, Employees of the Hospital who are subject to this Agreement shall be required as a condition of employment to maintain membership in the Union in good standing, subject to federal law. Compliance is required by the 31st day after employment. Concurrent with new employee orientation, the Union will be afforded an opportunity to distribute and collect union membership application/Payroll Deduction Forms.

As a condition of employment, all Employees hired on or after the effective date of this Agreement shall, on the thirty-first (31st) day following the beginning of such employment, become and remain members in good standing of the Union and tender to the Union the initiation fees and periodic dues that are the obligations of members.

23.2. FAILURE TO MAKE REQUIRED PAYMENTS

The Union shall notify the Hospital and the affected Employee in writing of an Employee’s failure to comply with the provisions of this Article and shall afford each such Employee fifteen (15) work days, after the Employee has been mailed such notice at his/her last known address, in which to comply.

If said Employee does not comply with the provisions of this Article within the ten (10) day period following actual notice, the Employee shall be promptly terminated upon written notice of such fact from the Union to the Hospital.

23.3. DEDUCTION AND REMITTANCE OF UNION INITIATION FEES AND DUES

Upon receipt of an individual, voluntary, written, and un-revoked check-off authorization form which has been signed by an Employee in the bargaining unit covered by this Agreement, the Hospital shall deduct from the pay of such Employee during the first pay

period of each calendar month a sum equal to the Employee's union initiation fees or monthly membership dues, uniformly required, and only so long as such Employee was employed by the Hospital at the time such obligation became due.

The Hospital shall promptly remit to the Union the sums which are deducted under this Section, together with a list on hard copy and a disk or electronically (on Excel, ASCII delimited text, or another compatible format) showing the following information for Union members: their names, Social Security number on an as needed basis, home address and phone number (as provided by the employee), classification, regular wage rate, regular hours worked during the period, regular earnings during the period, department, status (e.g. Regular Full-Time, Regular Part-Time, Per Diem, or Temporary), and date of hire.

The Hospital will honor written assignment of wages to the Union's Committee on Political Education (C.O.P.E.) fund, where such assignments are submitted in a form agreed to by the Hospital and the Union, and will remit such contributions to the Union.

The Union agrees that no informational picketing shall take place during the term of the Agreement unless the Union has provided ten (10) days' notice prior to such picketing.

24.2. WAIVER BY UNION

The prohibitions of this Article are intended to apply regardless of the motivation for the strike or other conduct. By way of illustration only, this Article expressly prohibits:

- a. sympathy strikes (individual or concerted failure to cross a picket line established by another labor organization or by members of another bargaining unit);
- b. strikes over disputes that are not subject to arbitration; and
- c. strikes in protest of alleged violations of state or federal law.

Any statutory right under the NLRA which an employee may otherwise have to engage in such conduct is hereby expressly waived by the Union.

24.3. UNION OBLIGATION

If a violation of this Article should occur, the Union shall immediately do everything within its power to terminate the violation.

24.4. PENALTY

Any Employee who participates in any activity prohibited by this Article shall be subject to discharge or such lesser discipline as the Hospital in its discretion shall determine, provided, however, that such Employee shall have recourse to the grievance and arbitration procedure as to the sole questions of whether he/she in fact participated in such prohibited activity and whether the discipline is discriminatory.

24.5. UNION OFFICIALS

The Union's Labor Representatives and Stewards shall attempt to end any violation of this Article by personally complying with the Article, and by urging others to do so.

Should they fail to do so, they may be selectively disciplined, including discharge; provided they shall have recourse to the grievance and arbitration procedure as to the question of whether they complied with this Section.

24.6. NO LOCKOUTS

The Hospital agrees that there shall be no lockout during the term of this Agreement. As used herein, the term "lockout" shall not include the closing down or curtailment of operations or layoffs due to economic conditions, business or operational reasons, natural disaster, or reasons beyond the Hospital's control.

ARTICLE 27 – ENTIRE AGREEMENT

The parties agree that this Agreement is intended to constitute the entire contract between them governing wages, hours and conditions of employment of bargaining unit Employees covered during the term hereof, and settles all demands and issues on all matters subject to collective bargaining. Notwithstanding, the parties understand that issues may arise from time to time during the term of this Agreement that may not have been covered by this Agreement that one

party or the other feel need to be discussed. It is agreed therefore, that either party may raise such issues and the other agrees to meet and confer with respect to such issue(s) in an attempt to try to reach a mutual resolution of such issue, however, arbitration is not a remedy in the event the parties are unable to reach agreement.

ARTICLE 28 – VACATION SCHEDULING

- 28.1. Employees shall be solicited during the month of January of each year in order to determine their preferences for vacation. Prior to March first (1st), the Hospital shall advise all Employees as to when their vacation is scheduled and shall post the full twelve (12) month vacation schedule in a location in each department accessible to all Employees.

Vacation allotment schedules for each year will be provided to the Union in January, for each department, with updates provided timely throughout the year. For those Employees choosing to split their vacation into two (2) or more increments, seniority will apply only to the first (1st) choice of vacation in each year. The highest senior Employee will then go to the bottom of the list and will be considered for their second choice after a full rotation by seniority, then to the bottom of the list again for a third choice, etc. All vacation requests will allow the Employee to indicate which requested vacation period is his or her first (1st) choice, which is his/her second (2nd) choice, and which is third (3rd) choice.
- 28.3. Vacation requests in any department will be considered at any time of the year. Requests received after the annual vacation scheduling period above shall be granted, subject to patient care and operational necessity, on a first come, first serve basis, except that in the case of competing requests submitted on the same calendar day, the request shall be granted by seniority. Vacation request exceeding two (2) weeks of time off will not be unreasonably denied as long the employee has submitted his/her request within the limits of this Article.

The parties acknowledge the common goal of providing employment and income security to employees. As such, it is the intent of the parties to avoid displacement of employees, but recognize there are circumstances where avoiding displacement cannot be achieved. The parties acknowledge a mutual intention to make use of attrition, business growth, job matching, retraining and/or other mutually agreed upon mechanisms to accomplish this goal. The Hospital will make every effort to maintain employment and income security and to avoid displacing employees, i.e., reductions in force, reduction in hours, daily cancellations and job elimination on a temporary, indefinite, or permanent basis.

ARTICLE 30 – BARGAINING UNIT WORK

The Hospital will not establish jobs or job titles for the purpose of excluding work or employees from the bargaining unit. Bargaining unit Employees will not perform the work of supervisors or assume supervisory responsibilities or authority. It is an Employee’s responsibility to (a) timely provide both the soonest possible notice as described above and the explanation called for in this section and (b) claim the premium payment described in the next provision.
- 32.5. Anytime an Employee’s right to a meal or rest period is interfered with or the Employee believes he/she was not provided a meal or rest period due to Employer operations, he/she must provide an explanation as to why the meal or rest period was missed. An Employee shall be provided a premium payment equal to one hour of his/her base rate of pay for any day which his/her right under the applicable Industrial Welfare Commission Wage Order to the appropriate meal or rest period(s) are interfered with. The Employer shall promptly pay any premium payment due under this Section. In the event an Employee does not receive a penalty payment called for by or otherwise has a dispute related to this Section, such dispute shall be resolved exclusively through the grievance and arbitration procedures under Article 9, or through an individual claim to the California Division of Labor Standards Enforcement (DLSE), provided that any single adjudication by either an arbitrator or the DLSE shall be final and binding as the means

for addressing any disputed penalty payment or other dispute related to this Section.  - d. Upon request, the Employer shall provide Employees the number of kin care hours used/available.
 - e. The Employer shall withdraw Policy #0-405 as revised on 1/14/20 and shall withdraw Policy #HRC-715. The Employer shall revert to the Attendance & Punctuality Policy #0-405 revised on 2/14/2017.

 - a. Meet with the Union to discuss appropriate approaches and amendments to policies related to “Attendance Standards” and “Excessive Absenteeism” as well as related discipline.
 - b. Prior to any new or modified policy being published or implemented, a draft will be provided to the Union and the parties agree to meet in good faith to discuss any questions, concerns or adjustments to the policy. The Employer further agrees that should it, during the term of the new CBA, implement any new or modified attendance policy which the Union has

3. Notwithstanding its rights under Article 21, and except as provided by this Side Letter, the Employer agrees not to further modify the Attendance and Punctuality Policy or the Union Employee PTO/Sick Time Usage Policy HRC-715 during term of the CBA unless such modification is mutually agreed to with the Union.

In the event the parties are not able to reach an agreement related to the impacts and effects within thirty (30) days of announcing the alteration, modification, substitution or termination of the plan, all of the terms and provisions of Article 24 shall be of no further force or effect until an agreement regarding the impacts and effects is executed in writing by the parties.

SIDE LETTER OF AGREEMENT 3 – SUBCONTRACTING

The parties agree that during the contractual term identified in Article 34 of the CBA, the Employer will not exercise its right to subcontract bargaining unit work pursuant to the provisions of Article 21 and 22.

SIDE LETTER OF AGREEMENT 4 – SURGICAL TECH 10 AND 12 HOUR SHIFTS

There will be an incentive bonus of \$100 for bargaining unit members who volunteer to be on call and are assigned to take the uncovered standby on call shifts. This is the same bonus and conditions agreed upon by the Nurses bargaining unit.

Employees in the Operating Room who are currently working the 8 hour shift will be able to maintain their current positions and shifts, without being adversely impacted by the new positions, subject to all other contractual provisions. Surgical Tech Employees hired into 10 or 12 hour schedules prior to 8/1/21 shall continue to be paid pursuant to the terms of the Side Letter of Agreement #3 of the 2018 NUHW CBA. Surgical Tech Employees hired into 10 or 12 hour schedules on or after 8/1/21 shall have their base rate determined by their position, seniority, and experience, in accordance with the terms of the effective CBA.

Call-off/Flexing in the Operating Room will continue to be rotated among all employees. Eight, ten, and twelve hour employees will be in the same call-off order and rotation for days and night shifts. The length of an employee's shift will not be a factor in determining call-off.

All benefit accruals (PTO etc.) will be based on 80 hours for 12 hour Surgical Tech Employees hired prior to 8/1/21. For 12 hour Surgical Tech Employees hired after 8/1/21, benefit accruals will be based on FTE. The length of an employee's shift in the Operating room will not be a factor in determining vacation approval.

No employee will suffer any involuntary reduction in FTE status as a result of the implementation of this agreement or ten and twelve hour shifts.

SIDE LETTER OF AGREEMENT 7 – CONSTRUCTION RELATED ATTENDANCE DELAYS

The Parties acknowledge that there have been multiple construction projects in the USC Health Science Campus and a comprehensive overhaul of the parking operation, substantially impacting Employees' commute time, their ability to enter assigned parking lots, and arrive at their designated time clocks at their start time.

Following ratification and for a period of 150 days, the Parties agree to convene a subcommittee to investigate and assess the impact of the changes to the parking and transit operation (e.g. shuttles, drop-off points, wait times, construction projects, etc.) and how it affects Employees' ability to predict and control the transit time from their assigned parking lot to their designated time clock. As a show of good faith, the Employer will for the duration of the 150 days temporarily extend a 5-minute grace period for late clock-ins as both parties assess whether the operational changes that the Employer implements sufficiently address the structural impediments to on-time clock-ins.

This Committee shall monitor whether the operational changes are sufficiently mitigating the structural issues that impede Employees' ability to clock-in on time, and shall seek joint solutions should the Employer's planned operational changes (i.e. additional shuttles and time clocks) be found to be inadequate in addressing the structural impediments to timely clock-ins.

This Committee shall consist of 3 NUHW members and 3 Employer representatives. The Committee may by mutual agreement between Parties extend both the duration of the convening period of the Committee, and the temporary grace period.
